More than a company, a commitment to transforming ideas into meaningful realities.

About Company

Welcome to Priya Qubit, where innovation meets excellence. We are a dynamic and forward-thinking organization dedicated to transforming ideas into powerful solutions. With a passion for innovation, we strive to create products and services that empower businesses, simplify lives, and shape the future.

At Priya Qubit, we believe in the power of knowledge, innovation and creativity to drive change. Our skilled team of experts brings together a unique blend of scientific innovation and dedication to deliver world-class solutions. Whether it's through cutting-edge technologies, business-focused planning, or sustainable practices, our goal is to make a positive difference in the world.

Our Core Values

In the power of dreams,

01

every great idea begins with imagination and vision.

In innovation with purpose,

02

turning bold ideas into meaningful solutions.

In dedication to innovation,

03

continually pushing boundaries to create lasting impact.

What we stand for, and what we strive toward.

In authenticity and honesty,

05

staying true, transparent, and ethical in everything we do.

In serving our clients' needs,

04

placing their growth and success at the heart of our work.

Meet Our Founder

Our founder, Prakash Kumar Nayak is a passionate tech enthusiast and educator, driven by the belief that innovation and learning go hand in hand. With expertise in Machine Learning, they have transformed ideas into impactful solutions through PriyaQubit and QbitCode. Their mission is simple - to make technology accessible, inspire learners, and nurture the next generation of problem-solvers.

At the heart of innovation, leadership with vision.

**It's the team that makes everything possible,
The best is still ahead!**

-Prakash Kumar Nayak, CEO

On the path to creating
a lasting legacy.

Pioneer Augmented Intelligence (AI+)
solutions that go beyond automation.

**Become a meaningful force of
change in society.**

Create innovations that leave a
lasting mark in history.

**Drive humanity closer to its dreams
and aspirations.**

Our Vision

Our Mission

Deliver excellence in everything we
pursue.

**Continuously improve and take steps
forward in our solutions.**

Design solutions that are impactful
and lasting for real-world needs.

**Research on what is important and
drive towards it.**

Give people access to what is out of
reach and bring technology to their
doorstep.

EDITEVOLV

Transform the Way You
Work with PDFs

The screenshot shows the homepage of the EditEvolv website. The header includes the logo, navigation links for Home, Edit PDF, Compress PDF, All Tools, Pricing, and Blog. The main section features a large title 'Welcome to EditEvolv' in white on a dark blue background. Below the title is a paragraph of text: 'EditEvolv simplifies file management with seamless conversion, editing, and organization tools. Whether PDFs or other formats, it empowers users to streamline tasks efficiently, all in one intuitive platform.' A 'Get Started' button is visible. At the bottom, there are two call-to-action buttons: 'AI Chat, summarize, read, and explain PDFs online' with a star icon, and 'Convert, merge, and sign online' with a document icon.

EditEvolv is a modern PDF editing solution built for today's connected world.

Available on web and mobile, it empowers users to manage, refine, and share their documents effortlessly across devices. More than just an editor, EditEvolv is designed to streamline workflows, enhance collaboration, and make working with PDFs faster, smarter, and more accessible —anytime, anywhere.

Our Process Onboarding Journey

Dear Prakash Kumar Nayak,

Greetings from CEO Insights!

I am Prajnya p. Bhol from CEO Insights, a monthly business magazine for C-Suite Executives, Entrepreneurs, Founders, and other decision-makers in India. Having both 72,536 print and 4.36L digital magazine subscribers, we serve as a platform for C Level Executives and decision-makers and to share their industry insights, which will help & inspire other executives to achieve their business goals and stay ahead in the market.

Continuing the success of our previous editions, CEO Insights is launching its another edition on Emerging Business Leaders in Telangana Startups, focusing on Leaders from various industries like BFSI, Healthcare, Marketing & Advertising, and the Service verticals, having diversified experience, possessing Leadership Qualities, Skills, etc. As part of this, we seek to recognize the Leaders, who have made significant contributions to their industries and their respective organizations through innovation and benchmarking. Having screened 100+ Emerging Business Leaders from various industries, our evaluation panel has shortlisted Prakash Kumar Nayak from PriyaQubit for this edition.

We are pleased to notify you that Prakash Kumar Nayak from PriyaQubit has been selected as one of the 'Top 10 Best Emerging Business Leader in Telangana 2023' by CEO Insights magazine. The Profile will offer an in-depth analysis about your Leadership skills, innovation, experience, remarkable journey, awards, and recognitions. The same profile will be featured in the magazine's web version as well. This recognition will assist you in increasing your visibility in the Digital Era and attracting the attention of your target audience.
